

Information for leaders and congregations

UPDATES

These bi-weekly UPDATES are shared so that leaders and congregations are aware of events and information taking place in LMC, agencies, fraternal organizations, congregations, and the broader church. These announcements are for your information and to share with others in your congregation through email, weekly bulletin, monthly newsletter, Sunday morning announcements, church website, or Facebook. Use your discretion and share what your congregation will find helpful.

a ministry of First Mennonite Church

"Co-Laborers with God" is the title of the summer quarterly and the third quarter of lessons from Renew Publishing, a ministry of **First Mennonite Church in Berne, Indiana**. After receiving feedback from churches that have used the previous quarters, we have made some changes to the curriculum. Beginning with the summer quarter, we are including the whole scripture text in bold print in the Leader and Participant Guides in the "Examining God's Word" section. We are also including the whole scripture text in the Participant Guide at the beginning of each lesson just like it is in the Leader Guide. The Table of Contents will now list the main scripture references for each lesson. Some churches suggested having everything in the Participant Guide that is in the Leader Guide. ***We want churches to know that they are welcome to use the Leader Guide instead of the Participant Guide to give to class participants.***

To receive a PDF of the quarterlies, email Becky at renew@firstmennonite.org.

This material will be available for the participants at the LMC Spring Leadership Assembly on April 29!
