

# Together for the Gospel Albania

# T4GA

*Dear brothers and sisters in Christ, Grace to you and Peace from our God!*

*May God be glorified in all things that we do!*

It is always joy when we write to you about what God is doing in Albania.

As you already know, we have joined the ministry with the church. There are so many needs of this church. As a church we are approximately 70 members. My role for this year is church elder, we are also a team of 5 full time people that we are planning and serving full time with the Church here.

Another thing that has been entrusted to me is the administrator of this church.

I am thankful to God for these 6 boys who are growing in faith. The students who I shared the gospel with, are part of the church and I have the privilege to disciple them.

These are Xhoi, Marko, Memjon, Zajnil, Adi, Igli. I am thankful to God for this guys as they invited their friends to different activities and we shared about faith with their friends too. Erinda and I have some youths we are discipling.

The students who I shared the gospel with, are part of the church and I have the privilege to disciple them.

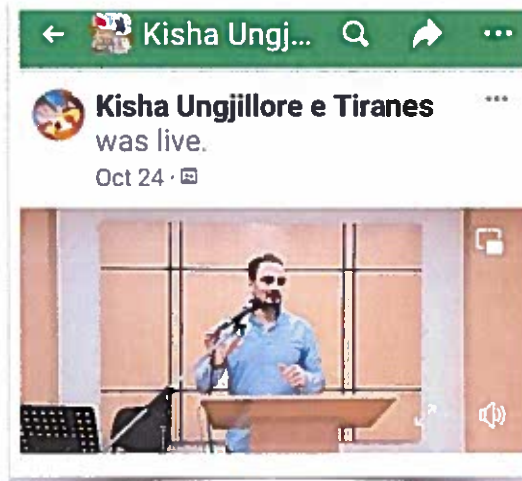

Erinda is having some meetings at home since she is also involved with the little baby. She is meeting Sarah, who is a student of mathematics and together they are studying the book "Love of God" Sara, has just come to faith and has many financial challenges, but her heart for God is challenging. Sara and Adi, her brother came to Christ some months ago. We get to know both of them and starting Bible studies together with us.

Esmeralda is another girl that Erinda has shared the gospel .She finished University and she is working now. Erinda is continuing to discuss about faith with her. She is just engaged and both as a couple have expressed a desire to meet with us  
They are not believers, but pray that God will open their hearts and we, as a family will now be an influence for Christ to them.

This time I was privileged to preach to another city of Albania, Lezha.  
Two weeks ago I was in Lezha and preached there. That was the church who I came to Christ some years ago. It is such a joy to go again there.  
I feel God is growing me as I am preaching at Sundays to church. Next week I will preach again to the church in Lezha and after tow weeks in my church in Tirana "Evangelical church of Tirana".

Please be praying that I will be ready to learn from the word of God and the church will be ready to hear and learn too.

Pray that God will transform our lives every day for giving Him glory .

We are praying and thinking with the youth group for an outreach how to invite new people to church and how to share the gospel with them.

We are hoping to make an other outreach for Christmas. We are hoping to work with families, children and youths to our neighbourhood.

#### The Art of Theology

I am part of the theological school and I am conducting studies and training for the planting of the new church.

The school has its own commitment and some of the books and exams to complete, but I am glad it is once a week and I have the opportunity for full time service.

The School is also a blessing because I am studying the Word of God more deeply!

**For all that you read above, please keep us in prayer.**

**Thank you !**
