Business leaders' breakfast:
employee recruitment and retention

Wednesday, September 14, 7–8:45 a.m., 450 N Prince St, Lancaster, PA 17603

We all know it. The statistics are against us. The need is growing and the workers are decreasing. What are the options for small and mid-size business owners in meeting their workforce needs? Join us for a short address from Roger North followed by a panel discussion on this vitally important business leadership topic. Register for this free event now at emm.org/breakfast.

Roger is the founder and CEO of **North Group Consultants**. In this role, he is primarily responsible for North Group's cultural commitments, community connections, and business development. In addition to those leadership responsibilities, he continues to consult on issues related to organizational health and performance, organizational transition, and executive growth/development.

The No Longer Alone Family Support Group, now supported by Landis Communities, will meet on the fourth Sunday of every month. The **meeting in September** will focus on Planning. The discussion will be followed by a time of sharing. The public meeting is scheduled for **Sunday, September 25, 2022 from 3:00 - 5:00 p.m.** and will be on Zoom. The monthly meetings provide a place for those who have a loved one living with mental illness to learn and share their experiences. For information on joining the Zoom meeting or to receive a monthly meeting reminder, call 717-381-3599 or email JAlbright@landis.org by noon on Friday, September 16.
