

Good afternoon, Faithful Friends in Prayer,

Today I reflect on the Beauty of a pleasant and warm day.

We sat outside for lunch today and just basked in the warmth and the sun's glow and felt at Peace!

Sometimes you just have to sit back and listen to the quiet, calming yourselves from the many sounds, voices and noises of our busy world!

We felt recharged (and didn't want to come back inside to work, ). But we did!

Take time today and bask in the Lord and soak up His warmth and presence! You will be glad you did!

Have a beautiful, healthy day!

PRAISES:

- Through spreading the word at churches, we have been gaining more monthly Boutique sponsors. We are getting closer to our goal of fully funded rent for the boutique through sponsorships.

- Our new marketing approach has dramatically increased our contact and ability to communicate with abortion-minded clients. We have quadrupled appointments since last year.

PRAYER REQUESTS:

- For those who come to their initial appointment and do not keep in touch with us afterwards. For those who do not show for their initial appointment and do not return our messages.

praying that wherever they are at, the Lord would continue to place encouragement and support in their path.

FROM THE EXECUTIVE DIRECTOR:

- Cornerstone recently implemented a new client marketing approach. We have had a significant

increase in contacts with women seeking abortion. Please pray for wisdom

and guidance from the Holy Spirit during these encounters.

- Pray that God would increase our ministry to those who are post abortive and suffering in silence.
- Pray for wisdom for the board of directors as they govern the ministry.

PRAISES:

- Our contacts with women who are seeking abortion have quadrupled and we have three times

as many appointments on our clinic schedule as we did last year at this time!!!

Sincerely,

Kristi
