

“Let your roots grow down into Him, and let your lives be built on Him. Then your Faith will grow strong In the truth you were taught, and you will overflow with thankfulness.” Colossians 2:7 (NLT)

My faithful friends, we are in such gratitude to you for praying for Pregnancy Resources at Cornerstone this past year.

We are so *THANKFUL* for you that words cannot express how our hearts are filled with joy that you cover us in prayer.

Knowing this brings us comfort.

May your roots go deeper in Him that you would overflow with thankfulness this next year.

We appreciate each of you!

Here are our Requests and Praises for November.

REQUESTS:

- Last week we had a client who had previously endured sexual trauma as a young lady. She had her baby not knowing if her boyfriend was the father or her abuser's. Years later she has suffered 2 miscarriages and now was seeking an abortion with this pregnancy because the father of this baby doesn't want kids. So please pray for her.
- We had an abortion determined patient who came into our clinic earlier this month. She has an appointment for an abortion scheduled for next week. Please pray that the Lord would continue to minister for her heart in the coming days and remind her of conversations she had during her appointment with us a few weeks ago. Pray for safety, peace, and love to surround her as she battles with these overwhelming emotions.
- The patients we saw near the beginning of the year have been coming up on their due dates. We check in with them a week or so after their due dates just to see how everything is going. We often do not hear back from them or know what their pregnancy decision ends up being. Whatever the outcome, we pray that they have people who can support and encourage them in their lives and their unique circumstances even if we can't. Please join us in that prayer in the unknown outcomes of our patients.
- Please pray for a good response to our *Un-banquet Matching Grant Appeal* for Cornerstone.

FROM THE DIRECTOR

PRAISE:

- A patient who came to us in the very beginning of her pregnancy is now a client who attends classes regularly with one of our advocates. She recently expressed how grateful she is to Cornerstone and the impact it has made in her spiritual journey. Praising the Lord for amazing advocates who partner with the Spirit as they engage with our clients in weekly prenatal and parenting classes!

Happy Thanksgiving from the Staff at Cornerstone!
